Journal of the Secretary, Central Recruitment Board.

Friday Morning - 21st Septr. 1928.

Attended to office papers and tappals received from Head Quarters. Perused the preliminary statements put up in respect of the District Superintendent of Police's office. Inspected the office of the Dis- Superintendent of Police in detail and checked all appointments. The patronage is well distributed in this office and there has been an attempt at understanding rules of recruitment. Instructions were given about minor details and got rectified. Discussed with the District Superintendent of Police the rules of recruitment. He is not feeling any difficulty in the working of the --- rules so far his department is concerned.

The notes of inspection of the Sub Division office of the Mysore Sub Division was submitted with the Journal to the Chief Secretary.

Saturday.- 22nd Septr'1928.

The inspection notes of the office of the District Superintendent of Police, Mysore District were put up and are ready for submission.

Left for Nanjangud and began the inspection of the office of the Sub Division ---- Officer, Nanjangud Sub Division and the office of the President, Nanjangud Town Municipal Council. Two cases of the office were worked into. Met Mr. M.S.Ramachandra

Mr. M.S.Ramachandra Rao and discussed with him about the working of the rules of recruitment. The office is not equipped with an up-to-date set of all Government Orders on the subject of recruitment and many of the difficulties experienced were freely discussed and the attention of the Sub Division Officer was invited to the various Government Orders meeting the cases pointed out by him. It is stated that there about a dozen cases of officials who have been in service since eight or ten years without any substantive lien any where and eking out a precarious existence in perpetual fear for each day seeking the sudden close of the means of their livelihood. Such a state of affairs cannot but be highly demoralising to the services and sometimes leads on to arrangements in grant of leave and leave arrangements which may give room to a charge of manupulation. The Sub Division Officer thinks that these should be absorbed in permanent vacancies. A statement is being put up with details and their cases will be submitted for orders shortly. The next difficulty is about vacancies that start as short term vacancies but eventually exceed three months and are at no time ripe for advertisement. This question has already been raised by me and is to be discussed again at the next meeting of the Central Recruitment Board.

Sunday.- 23rd Septr'1928.-

- Concluded the inspection of the offices of the President, Nanjangud Municipal Council and the Nanjangud Sub Division Officer.

Left for Mysore in the night.

Monday.- 24th Septr'1928.

Left Mysore to Bangalore. Notes of offices of inspection are put up.

Secretary,
Central Recruitment Board.

TOWN MUNICIPAL COUNCIL, NANJANGUD.

The inspection relates for the year 1927-28, regarding appointments made by the President, Town Municipal Council, --- Nanjangud.

- - - - - - -

During the year under review Mr. M.S.Ramachandra Rao, B.A., B.L., Senior Assistant Commissioner in charge of the Nanjangud Sub Division was the President of this Town Municipal Council.

- - The powers of the President regarding the appointments to be made are of any Municipal servant whose pay does not exceed Rs 40/- per month; but in the case of officials drawing Rs 25/- and above, with the approval of the Deputy Commissioner of the District is necessary (Vide G.O.No.R 5674/Ml.61-19-14 dated 14th November 1919).

The strength of the Municipal Council both Ministerial and executive are as follows:-

Ministerial.-

One Head Clerk on Rs 30-1-35
One Deputy Clerk on Rs 20-1-25
One Librarian on Rs 20/-

All the above three are brahmins. Hence the percentage of this establishment is cent per cent. Of the above 3 appointments two are pensionable service and the other one viz., the post of the Librarian is only temporary and not pensionable service. This man was ---

entertained four years ago as a temporary measure and is said to be working well. This vacancy should have been advertised.

Executive (Municipal Council)

One Town Inspector on Rs 35-2-67
One Octroi Manegar on Rs 20/-
One Mohatarfa Mutsaddi on Rs 20/-
One Vaccinator on Rs 25/-

Out of the four appointments named above three are permanent and the other the post of Vaccinator is temporary. Out of this two are Brahmins and two are non-Brahmins. The percentage of this being 50%

Executive. (Water Supply).

One Head Driver on Rs 35-2-55
One Assistant Driver on Rs 25-2½-30
One Fitter on Rs 20/-

The President is empowered to appoint the last two classes of appointments since they are treated as temporary and inferior in service and the other appointment of a Head Driver ~~being~~ reserved by the Executive Engineer, Water Supply Division.

From the Acquittance Roll it is seen that a Special Sheikdar was entertained for about two months for collecting heavy outstandings of Mohatarfa etc., and this is generally being done after obtaining the sanction of the Municipal Council.

Vacancy register is not maintained in this Municipal Council. Hence it is not possible to verify the vacancies that may occur ~~every~~ now and then. The Head Clerk of this office is instructed to open a Register in the form given in Appendix V of the Central Recruitment Board Manual.

From the statement furnished by the

Municipal Council it is stated that only one vacancy of more than three months had occurred on 12th August 1926. This vacancy was advertised as Vacancy No. 1086 (Special) in the Mysore Gazette dated 4th November 1926 and the C.R.B. sent 16 applications (5 non-Brahmins and 11 Brahmins) for selection. This vacancy was not filled up by the Non-Brahmin candidates whose applications had been forwarded by the Central Recruitment Board but was given to one V.Srinivasaiya a Brahmin candidate. This official continued in service till the orders of the Chief Secretary (Vide No. 1654/C.R.B. dated 3rd Decr' 1927) were received vetoing the appointment. The vacancy was then re-advertised as Serial No. 1324 in the Gazette dated 15th December 1927 and out of the 11 applications that were received therefor from the C.R.B. office (Vide No. 2182/C.R.B. dated 13th January 1928) one K. Annayappa of Sathani Caste was appointed and is in service since 2nd March 1928.

"D" statements have not been furnished to Central Recruitment Board. The attention of the President has been invited to G.O.No.1297-347/C.R.B. 4-25-3, dated 22nd Septr' 1925 which lays down that all appointing Officers should submit this return and also to this office Memo No.626-85 C.R.B dated 20th August 1927. ~~In the form prescribed in the Manual~~. There is only one Memo Book and the entries therein

call for no remarks.

General.-

The Government have sanctioned a Special Sheikdar in the Budget, but for want of funds it has not been given effect to. The President has been requested to duly advertise it whenever it is proposed to give effect to it.

"D" statements have not been furnished to the C.R.B. It is stated that this not being a unit office such statements were considered as not being required to be sent. Statement II Serial 1.

The appointment of one Venkatappa (Vokkaliga) in the vacancy of Sub Inspector refers to the vacancy No. 1809 advertised in the issue of the Mysore Gazette dated 31-3-1927. A brahmin by name Srinivasa Iyengar was first appointed in the vacancy and after the appointment was cancelled by the Chief Secretary in his No.165-7/CR/B dated 14th July 1927 Venkatappa (Vokkaliga was appointed in the vacancy. The date of vacancy was 1st March 1927 and was of the duration of 9 months and 13 days. It is however continuing still.

SERIAL NO. 3

One Daffedar Siddanaika applied for 3 months leave from 1st June 1928. The vacancy was not given for advertisement being only a three months vacancy, but an Adikarnataka who had been appointed in vacancy No. 2373 of 1926-27 has been enter-tained in the present vacancy soon after the cessation of the appointment. As the permanent incumbent(Daffedar Siddanaika) extended his leave by three months more the vacancy is stated to have been reported

reported to the Deputy Commissioner in No.82.1 dated 9-9-1928 The vacancy has not yet been published in the Gazette. The Present arrangement may perhaps continue with the approval of Government.

SERIAL NO. 5.

The vacancy of Daffedar Govinda Singh of six months' duration:- The Daffedar Govind Singh has been granted leave for six months since 1st August 1928 and temporary arrangements have been made pending advertisement by promoting one constable Subrahmanya of Hale Karnataka community by the District Superintendent of Police. "A" statement is stated to have been sent to the Deputy Commissioner with No.82.1 dated 9-9-1928. The vacancy relates to the year 1928-29. The total number of vacancies of more than three months was 7 of which one refers to the year 1926-27 and one to the current year 1928-29. Hence there were 5 vacancies of Daffedars during the year under review. ~~One~~ Of these 5 one was cancelled and the three were filled up by the District Superintendent of Police by the appointment of back-ward community candidates and one was not advertised as one Sreeramalu Naidu Sub Inspector of T.Narsipur was in the first instance on two months' leave and the vacancy was filled up by giving temporary promotions and in the last arrangement one non-brahmin candidate Krishna Singh (a constable) has been promoted as Daffedar. He further extended his leave by one month sanctioned by the Inspector General

of Police. The vacancy was not advertised as the period was very short but the acting arrangement made allowed to continue during the peiod. This may be regularised by a reference to Government.

Flag "P"

STATEMENT NO. 3

There were 30 short term leave vacancies of mostly of less than three months. Out of these 30 vacancies, no acting arrangements were made in 6 vacancies as the period was within two months. In the remaining 24 vacancies, 14 brahmins and 10 non-brahmins were appointed by promotion.

REFERENCE TO ACQUITTANCE ROLL ETC.

There is nothing to observe so far as a reference to the acquittance roll is concerned. Every thing appears to be in order from the point of view of Central Recruitment Board Rules. The office establishment consists only of Brahmin candidates and there has been no change during the year in its composition. It is stated that there is a scheme of re-organization of the District Police establishment In this connection it should be possible for the Deputy Commissioner to effect suitable adjustment by means of transfers or otherwise as required in para 3 of G.O. of 10th June 1927.

On the whole, the rules of Recruitment have been observed and properly under-stood in this office. The various statements giving details are enclosed and are for perusal.

Secretary,

Only two of them, the Head Clerk and the fourth clerk have permanent lien in this office, whereas the permanent lien of the rest is somewhere and they are shown as acting in this offic for a long time. There are no temporary officials and volunteers working in this office. The percentage of Brahmin officials is 80 per cent and the officials belonging to Backward communities is 20 per cent as against 83 1/3 per cent Brahmins and 17 2/3 non-brahmins as it stood on 30th June 1927, the fall in the percentage of --- Brahmins during the year 1927-28 being due to the abolition of the special clerk's post from this --- office.

A leave register for convenience of reference has been maintained in the office for the whole

Sub Division from 1st July 1927 under the following headings and it is being continued for the current year also.-

(a) Serial number
(b) Taluk
(c) Name of official who has applied for the leave
(d) Appointment
(e) Pay
(f) Leave (1) Period (2) kind
(g) Remarks.

The vacancies are said to have been entered in this register in the order of their occurrence. The particulars contained therein do not show the exact period during which an official was on leave and the arrangements made for work during the period excepting that the amount of leave granted to the official and the authority sanctioning it without any reference to the connected office Memos. It is stated that the entire dorrespondence -- (leave applications for less than three months in --- duration and acting arrangements proposed for work) is returned to the subordinate offices on the approval of the proposals made for the work. There were 17 vacancies of less than three months and it is not known --- whether any non-Brahmins were appointed. As a matter of fact it is stated that no non-brahmin candidates are available for short term vacancies.

The office has got a set of Government Orders and circulars relating to recruitment matters but for most part many important ones are reported not to have been received. The C.R.B. Manual and the recent Govt. Orders have not yet been received here. Quarterly "D" statements have not ~~not~~ been received from this office. It seems to be under the impression that the Unit offices alone are to forward this statement. The attention of the Sub Division Officer is invited to G.O. No. 1297-347/ C.R.B. 4-25-3, dated 22nd Septr' 1925 which lays down that all appointing officers should submit this return and also to our Office Memo No. 626-85/C.R.B. dated 20th August 1927 on the subject. Copy of this, has however, not been sent to this office by the Unit Officer.

There are two kinds of registers maintained in

in this office from 1st July 1927 one pertaining to vacancies that are advertised and the other to appointments made in them. They continue for the current year also. They are in the form of "A" and "B" statements. The "B" statement register bears a reference to the Memos ordering the appointment. Here and there, it bears the signature of the Sub Division officer showing thereby that it has been checked by him. As this is not a Unit office it is not possible to say whether the classification of vacancies into General and Special is, in order. The office is instructed to open a Vacancy Register in the form prescribed in Appendix V of the Central Recruitment Board Manual which will serve the purpose of both the registers.

The statements of vacancies that occurred during the year 1927-28 furnished by the office are enclosed. One of them relates to vacancies of less than 3 months and the other to vacancies of more than 3 months in duration. There were 17 vacancies of less than 3 months that occurred during the year 1927-28. The statement does not furnish any particulars as to how they were all disposed of The office too is unable to furnish information on these points.--- There were 17 vacancies of more than 3 months in duration of which only 11 were advertised all as special. Six of the advertised vacancies were filled up by the Sub Division Officer by the appointment of candidates belonging to Bacward communities. There were 8/non-Brahmins for vacancy No. 1512 of 1927. Two best qualified of them are stated to have been selected by turn and as they did not join duty, notices were issued to the remaining six. Since none of them turned up the vacancy was cancelled and hence readvertised as Vacancy No. 298 of 1928 and the applica-

applications are still awaited. Out of the remaining 5 advertised vacancies, 4 were filled up by the Deputy Commissioner by the selection of non-brahmin candidates and in the remaining one vacancy of a permanent second grade Gumasta , Nanjangud Taluk, No. 18 of 1928, no appointment has yet been made as it is proposed to absorb one Javre Gowda in it and a reference is made to the Chief Secretary in the matter.

The remaining six vacancies that were of more than 3 months in duration (vide statement enclosed) were all filled up by the Deputy Commissioner, four having been given to Brahmins and two to non-brahmins. It is not known why they were not advertised as per rules and also whether they were made available for direct recruitment. This will be verified during the inspection of the ---- Deputy Commissioner's office. Inspection.

In a longstanding vacancy of Judicial Gumasta, one N.Srinivasa Rao, permanent second grade Gumasta, Mandya, on Rs 25/- was appointed to act on Rs 30/- in the Deputy Commissioner's No. A 111/27 dated 23rd December 1927 and it is not known how the consequential vacancy at Mandya was disposed of.

In filling up the vacancy of First Grade Gumasta, Chamarajanagar Taluk, the Deputy Munshi's post at Seringapatam was made available for direct recruitment advertised as vacancy No. 1192.

These are the two cases of shifting vacancies from one place to another.

There is nothing very particular to be mantioned about the Office Memo file and Baraward Book. The Minute Book maintained in the office does not show any observations of the Deputy Commissioner in the matters relating to recruitment.

The difficulty experienced by the Sub Division Officer in the course of the administration of the rules of the recruitment is two-fold. The first is about absorbing the officials who have put in long service and who are qualified to hold the post but yet do not hold

any substantive appointment and are continuing in all kinds of arrangements and it is difficult to throw them out at this distance of time after these have put in so much service and gained experience. The next is the question of treating short time vacancies which first occur as being of less than three months but subsequently go beyond three months owing to piecemeal extensions are not ripe at any time of the grant of leave for being advertised. Some of these long-standing officials are generally provided in such arrangements with a view to see that as far as possible the trend of the continuity of their services is not broken. It is ascertained that at least ten of such officials (a list of them together with the history of services is enclosed) are working in the various offices in the jurisdiction of the Sub Division --- Officer. The Sub Division Officer is strongly of opinion that these deserve to be absorbed in permanent vacancies irrespective of any classification -- whatsoever at the earliest opportunity. The opinion of the Deputy Commissioner will also be obtained if approved upon the statement and the cases worked and submitted for orders.

These cases appear to be on a par with the cases of Hassan District that we dealt with in August last by permanently ordering the absorption of all officials in a similar plight. The question is very important in as much as allowing such officials to continue in this manner without regularising their continuance is bound to lead to all sorts of remarks against the officers for not carrying out the rules of recruitment loyally and is also demoralizing the service and acts as a clog in the observance in the rules of the recruitment in a spirit of harmony.

The Sub Division Officer further states that in the case of candidates who are permitted to be --- absorbed in general vacancies of a particular new --

Sunday 23-9-1928

During the year under review, the Office was held by Mr. M.S.Ramachendra Rao, B.A., B.L., as Senior Assistant Commissioner.

The Taluks of Chamarajanagar, Gundlupet, Nanjangud and T.Narsipur and Yelanduv Jahgir for purposes of Income-tax comprise the Sub Division.

The strength of the office consists of : -

One Head Clerk on Rs 55/-
One Deputy Clerk on Rs 40/-
One third clerk on Rs 25/-
One 4th clerk on Rs 20/-
One Income-tax Clerk on Rs 40-2-50

The composition of the Sub Division office is only 4 and the fifth noted as - Income-tax clerk forms a separate establishment attached to this office under the control of the Officer incharge of this Sub Division.

Four of the officials are brahmins and one a non-brahmin. Only two of them, the Head Clerk and the 4th clerk have permanent lien in this office, whereas the permanent lien of the rest is somewhere and they are shown as acting in this office for a long time. There are no temporary officials and valunteers working in this office. The percentage of Brahmin officials is 50% & of the officials belonging to backward

communities is 20/3 as against 33⅓% brahmins and 46⅔% non-brahmins as it stood on 30th - June 1927, the fall in the percentage of brahmins during the year 1928-28 being due x to the abolition of the special clerk's post from this office.

The statements of vacancies that occurred during the year 1927-28 furnished by the office are enclosed. One of them relates to vacancies of less than three months and the other to vacancies of more than three months in duration. There were 17 vacancies of less than three months that occurred during the year 1927-28. The statement does not furnish any particualrs as to how they were all disposed of. were of more than three months in duration (vide statement enclosed) were all filled up by the Deputy Commissioner, four having been given to brahmins and two to nonbrahmins. It is not known why they were not advertised as per rules and also whether they were made available for direct recruitment. This will be verified during the inspection of the Deputy Commissioner's Office, Mysore.

In a long standing vacancy of Judicial gumasta, one N.Srinisava Rao permanent second grade gumasta, Mandya on Rs 25/- was appointed to act on Rs 30/- in the Deputy Commissioner's No.A 111/27 dated 23rd December 1927 and it is not known how the consequential vacancy at Mandya was diposed of.

In filling up the vacancy of First grade gumasta Chamarajanagar taluk, the Deputy Munshi's post at Seringapatam was made available for direct Recruitment advertised as vacancy No.119

The difficulty experienced by the Sub Division Officer in the course of the administration of the rules of the Recruitment are two-fold. The first is about absorbing the officials who have put in long service and who are qualified to hold the post but yet do not hold any substantive appointment

and are continuing in all kinds of ~~appointments~~ arrangements and it is difficult to throw them out at this distance of time ~~and~~ after these have put in so much service and gained experience. Some of these long standing officials are generally provided in such - arrangements with a view to see that as far as possible the trend of the ~~community~~ continuity of their services is not broken. clog in the observance in the rules of the Recruitment in a spirit of harmony.

The Sub Division Officer further - states that in the case of candidates who are permitted to be absorbed in general vacancies of a particular pay their cases are referred to him by the Deputy Commissioner as the classification is done at - District Office, such cases have to be - dealt with by the Deputy Commissioner himself. This may, if approved, be brought to the notice of the Deputy Commissioner and be asked to deal with such cases himself. Another difficulty pointed out in this - connection is that in the cases of these - candidates it may not be possible to get - general vacancies of the pay which they hold or in which they are permitted to be absorbed in the unit itself. But this cannot be helped as the rules stand at - present. In such cases they may perhaps be absorbed even in vacancies of less pay which will be quite in order or they have to await for their chances. The next alternative is to treat exceptionally hard cases as on a par with those retrenched officials ordering their absorption in vacancies suiting their qualifications - treating them as not having occurred at - all for purposes of recruitment. This will however affect to a certain extent the progress of recruitment of back-ward community classes.

The Sub Division Officer's opinion about the second difficulty regarding short term vacancies is to have a number of volunteers

both non-brahmins and brahmins ~~xxxxxxx~~ attached to ~~the~~ each office and confine the selection in short term vacancies in proportion of 4 to 1 respectively.

The inspection of the office has been valuable in getting the office familiar - with many orders of Government and clearing various points. With the proper appreciation of rules of recruitment and after a final solution of the officials without any lien and in a state of perpetual suspense there should be no difficulty in seeing to a satisfactory and ~~xxxxx~~ proper observance of rules of recruitment.
